Come and join the fun...

Who are our campers?

Our campers are children and families all across Ontario affected by childhood cancer. This includes campers on treatment, off treatment, siblings and parents, including bereaved siblings and parents.

What are the programs?

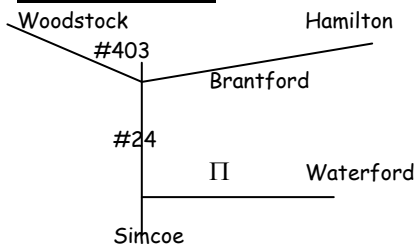

Residential Camp... twelve-day and seven-day overnight programs for campers aged 8-15 on Garratt's Island and at Rainbow Lake. Activities include arts and crafts, swimming, sailing, kayaking, outtripping and lots more. Campers aged 16 and 17 can participate in our Leadership Development Programs called Quest at either site for two weeks and may stay on further as interns. Nurses live on site, take turns being 'on-call', and take turns accompanying campers on overnight outtrips.

Family Camp... five and six-day overnight programs for the whole family on Garratt's Island and at Rainbow Lake. Activities are the same as for Residential Camp. Nurses live on site, same as for residential camp.

Day Camp... a travelling day camp that offers five-day programs in different city parks across Ontario for campers aged 4-7. The week includes swimming, arts 'n' crafts, games and more. The day camp nurse arrives at 8:30 am and leaves with the last campers at about 4:30 PM, and meets the day camp team on the Sunday night before camp to meet the staff and volunteer team, review the camper forms and review the programs of the week.

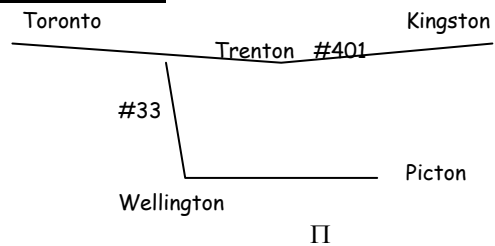

Where are the Camps Located?

Rainbow Lake

From Hwy 403, south on Rest Acres Rd. for 28 km, to Thompson Road. Rainbow Lake is approx. 1 hour from London, 40 minutes from Hamilton.

Garratt's Island

From Hwy 401, south on Hwy 33 for 50 km towards Sandbanks Provincial Park. Garratt's is approx. 2.5 hours from Toronto and Ottawa.
