

RAINBOW LAKE SENIOR STAFF APPLICATION

A Senior Staff has many expectations over the course of the summer and job specific skills. They are a staff that has not only demonstrated excellence in a previous position and have a specific skill set, but also have demonstrated skills and potential in problem solving, use of good judgment, role modeling, communication and leadership with their co-workers. Senior Staff are a smaller, yet seamless staff team that sets the tone and the foundation to be a part of the larger summer staff team. They are involved in staff and environment management on top of their regular staff responsibilities. They are "the go-to" individuals that will take on anything, invest in it whole-heartedly without complaint, are the catalyst that strives for a bigger and better summer, and are constantly looking to learn everyday at camp and about themselves and others.
